

PRODUCT UPDATE: REALMATCH360

Realmatch360 is the market-leading provider of the latest information on real estate demand. Access to Realmatch360 has now been integrated into the IAZI Portal:

- IAZI users who already use or are interested in Realmatch360 services can now access their Realmatch360 account directly via the IAZI Portal by clicking on the corresponding logo on the home page.

- This option is automatically activated for customers with a Swiss Marketplace Group AG marketing package including partner service Realmatch360.
- Thanks to the cooperation between IAZI and Realmatch360, new products have been developed, such as the “Price Explorer”, which combines market transactions, online offers and demand data.

- In case of any questions or to request a trial, please contact hedo@iazi.ch.

Best regards
